

Dear Waterville Lakes Association Members and Community Supporters:

Thank you for your continued support of the Waterville Lakes Association! Looks like the 2024 open water fishing & water sports season will soon be upon us- time to start planning summer fun! Your WLA board has been working through the winter months to plan events, fundraisers, and volunteer opportunities to help keep our lakes and area economy strong.

As always our focus is on the health of our lakes. Again this year the Waterville Lakes Association is working with the City of Waterville, area lake management coordinators, and elected state officials, to use each of our strengths to come up with a cohesive plan to maintain and improve the health of our lakes. 100% of your dues and contributions to Waterville Lakes Association go toward this effort and determines how much weed prevention & aquatic invasive species work gets done each year.

SAVE THE DATE EVENTS FOR WATERVILLE LAKES ASSOCIATION INCLUDE:

- **Saturday, March 18th, Winter Comedy Blast at Waterville Event Center, starting with 5:30pm Social Hour**
Don't miss the debut of our Waterville Lakes Association custom tumblers!
